The light shines in the darkness and the darkness has not overcome it. John 1:5

DEAR LORD,

Thank you for creating the people of Haiti in your image. We pray that your light would overcome the darkness of voodoo, gang violence, poverty and oppression in Haiti. Where there is hate, shine love. Where there is violence, shine peace. Where there are lies, shine truth. We pray that your light would transform the hearts and lives of Haitians so that they can make a positive change in their homes, their communities, their country and the world. Please do a miracle, do what no human has been able to do, and bring stability and peace to Haiti. Amen.
